Subject: Thank you to Clare Council

Good Day Gentlemen,

Please accept this email as our sincere thank you to Clare Council for the opportunity to appear before you and to express our concerns about the current lack of balance between the demands of the oil and gas industry on the Scotian Shelf and Slope and the needs of our fully sustainable fishery resources.

If Clare Council sees fit to make your views known either through support of the resolution distributed by Barrington Municipal Council to the UNSM or as a direct statement or resolution to the Provincial and Federal levels of Government would you please copy us at the "Clean Ocean Action Committee" so that we can add it to our growing collection of Municipal comments. Any such comments can as Clare Council decides they might want to share can be sent to the email address below.

Again, Thank you for your time and concern

Very Best Regards,
John Davis, Director
