Good Morning Stephane Cyr,

On behalf of myself, the Board of Directors and Members of the Sou' West Nova ATV Association I would like to Thank you for your support in getting the bridge across the Wentworth River in the Municipality of Clare completed.

The Association will be holding an opening of the bridge on Sunday Oct. 23rd at 1:00 PM at the Bridge location site and we would love to have you or a representative of you choosing attend. There are two options.

Club members will be riding our SxS or ATV to the location if you own one and would like to ride out with us we welcome you to do that. Or if you wish to just drive for those who don't have an ATV we will make arrangement to get you from the corner of Highway 340 and Major rd. We do not recommend taking your personal vehicle to the site from this direction.

Please let me know of your intentions in this matter so we can inform you of the start location..

Sincerely

Ron Goudey
