Dear Warden LeBlanc:

Thank you for your correspondence dated September 23, 2024, regarding installing a crosswalk in front of the Villa d'la Baie in Meteghan.

Highway safety is a priority for the Government of Nova Scotia, and we continuously evaluate roads for potential improvements. I have been in contact with the Area Manager, Pamela Mehlman-Shand, who has reached out to the traffic group to request an investigation of this section of road. This investigation will determine if a crosswalk in front of the Villa d'la Baie is warranted based on current standards.

Thank you once again for bringing your concerns forward. If there are any further questions on this matter, or for additional information, please contact Pamela Mehlman-Shand, Area Manager, by email at pamela.mehlman-shand@novascotia.ca or by phone at 902-742-2416.

Yours sincerely,

Kim D. Masland
Minister of Public Works
