Dear Warden Yvon LeBlanc:

Thank you for your correspondence dated December 12, 2024, regarding the P.F. Comeau Road in Comeauville, Digby County.

I recognize the significance of P.F. Comeau Road for residents and visitors accessing key facilities such as The Knights of Columbus, Clare Physiotherapy Clinic, and Clare Golf and Country Club. The Department of Public Works is currently prioritizing projects for our 3–5-year highway improvement plan, and we will include this road in our evaluation. In the meantime, local staff will continue to monitor its condition closely and carry out necessary maintenance to ensure safe travel for all.

Thank you once again for bringing your concerns forward. If there are any further questions on this matter, or for additional information, please contact Pamela Mehlman-Shand, Area Manager for Yarmouth, by email at pamela.mehlman-shand@novascotia.ca or by phone at 902-742-0568.

Yours sincerely,

Fred Tilley
Minister of Public Works
